

## The Global Media Technology and Culture Lab's Inaugural Interdisciplinary Research Slam

Tuesday, March 20<sup>th</sup> at 6pm in MIT List Center/ Media Lab Building (E15)

Room: E15-314, Third Floor (Glass room in the CMS Department – follow the signs)

Organizer: Annis Rachel Sands, CMS Graduate Student, GMTaC Lab RA

### Agenda:

6:00pm – 6:10pm – pizza // salad // refreshments

6:10pm – 6:15pm – Welcome comments from Prof. Parks + Rachel Sands

Rachel introduces Research Slam participants and listeners

*(Presentation format described below)*

6:15pm – 7:45pm – presentations by seven participants (presentation order determined Sunday morning)

7:45pm – 8:00pm

Open discussion among participants, and comments by Professors Lisa Parks and Aleksandar Bogdanic about their own writing/revision process.

### Presentation Formats:

The 7 presentations should take 15 mins each, 105 mins total (and will be timed)

Each participant workshopping their writing sample has 15 mins allocated to present + receive feedback on their project

- 5mins oral presentation of writing sample
- 5mins of feedback from the participant who read that individual's writing sample prior to the Research Slam
- 5mins feedback from other participants.

Each person will receive a stack of index cards to offer feedback to each participant workshopping a writing sample (described below)

### Index cards feedback:

Write down the following in bullet points -->

- comments
- questions
- any relevant authors/scholars/books the presenter could look at for their project
