

# Summer School Program

---

## BAYHOST grants for summer schools

### DEADLINE FOR APPLICATIONS: **continuously possible**

(subject to the exhaustion of subsidies)

**A. BAYHOST offers students and early-stage researchers from Central, Eastern and Southeastern Europe** (CEE/SEE) the possibility to apply for grants for a summer school conducted by Bavarian higher education institutions (except language courses).

[Overview of summer and winter schools in Bavaria 2021](#) (Status: 11.01.2021)

It is also possible to apply for a scholarship for other specialized summer schools at Bavarian universities that are not included in the above overview.

**B. BAYHOST offers students and early-stage researchers from Bavarian higher education institutions** the possibility to apply for grants for summer schools in Central, Eastern and Southeastern Europe (except language courses).

[Overview of summer and winter schools in CEE / SEE countries 2021](#) (Status: June 2021)

It is also possible to apply for a scholarship for other specialized summer schools at universities in CEE / SEE countries that are not included in the above overview.

### Eligible Countries in CEE / SEE:

Albania, Belarus, Bosnia and Herzegovina, Bulgaria, Croatia, Estonia, Hungary, Kosovo, Latvia, Lithuania, Moldova, Montenegro, North Macedonia, Poland, Romania, Russia, Serbia, Slovenia, Slovakia, Ukraine.

If you would like to apply for grants for a summer / winter school in the **Czech Republic**, please address to the Bavarian Czech Academic Agency: [www.btha.de](http://www.btha.de)

The scholarship program is open to all disciplines and covers the course fee (including additional modules, excursions, etc.) for participation in specialized courses at higher education institutions in Bavaria or in CEE / SEE. A subsidy for accommodation is also possible (if not included in the course fee).

Applications may be submitted for any summer school taking place in 2021 (also ex-post). The call is open to students and early-stage researchers who register individually for one of the courses and participate as self-payers.

In 2021, the grants may also be used for virtual attendance at summer schools.

## Guidelines for application

## Summer School Program

### Which documents have to be handed in for the application?

The following application documents must be submitted to BAYHOST:

- The [application form](#) and the [data protection form](#)
- a letter of motivation with reasons for course selection in German or English (1 page)
- a tabular CV in German (or English) with indication of language skills
- confirmation of participation from the respective summer school in Bavaria or in CEE / SEE
- for students: certificate of enrollment and an overview of grades (e.g. transcript)

### How is the disbursement of the funding amount organized?

The applicants will receive a notification by BAYHOST within four weeks after the application, whether the application was approved or not. In case of approval, the funds will be transferred to your bank account after the end of the course upon presentation of proof of payment (course fee, accommodation if applicable), confirmation of participation and a short report (1 page). In case of incomplete participation or participation in another course, the scholarship may be reduced or withdrawn.

For students and researchers from Non-EU countries BAYHOST will transfer the payment to the organizer of the course or the scholarship will be paid to the participants in cash during their stay in Bavaria.

The disbursement of the scholarship is possible until 30 November 2021 at the latest.
